Consultation of the detailed data of the centres*

Search by geographic location

*The individual information of each center includes a map with its geographical location

From this page you can see all the centres in each of the Autonomous Communities.

To do this, the following filters must be established:

1. Select the Autonomous Region
2. Set the "Type of Centre": "C11 – Hospitales Generales" and "C231 – Centro de salud"
3. Select the "Care Offered": "U.68 Urgencias"
4. Fix field "Classification" to "Públicos (todos)"
5. Finally press the "Send" button.

The following window shows the results of the query:
